NOTICE OF FINAL LICENSE DETERMINATION

In Re: Issuance of Final Hazardous Waste Facility License #29B/16

Issued to: Safety Kleen Systems, Inc.
224 East Main Street
West Brookfield, MA 01585
EPA ID # MAD096287354

On June 10, 2010, The Department of Environmental Protection (MassDEP) issued a five-year license to Safety-Kleen Systems located in West Brookfield (SKWB). In March 2015, Safety-Kleen submitted a license renewal application to allow the company to continue hazardous waste facility operations at its site in West Brookfield, MA.

Following a technical review of the application, MassDEP prepared a draft license. Public Notice of the draft was given in the Worcester Telegram & Gazette on August 4, 2016. Copies of the draft license were available for public review at the Marlborough Board of Health, the Marlborough Public Library, MassDEP's Worcester and Boston Offices and the USEPA New England - Region I Office in Boston. The public comment period was from August 4, 2016, through September 19, 2016. During the 45-day comment period, the Department did not receive any written comments specific to the terms and conditions of the draft license as issued. No changes other than several typographical corrections and clarifying revisions were made to the draft license.

Therefore, MassDEP grants Safety-Kleen Systems, Inc. West Brookfield, Massachusetts a final hazardous waste facility license. Any person aggrieved by this decision may request an adjudicatory hearing before MassDEP; please refer to the "Appeal Rights and Time Limits" procedures Attached to this notice. The final license becomes effective either (a) 21 days after the date of execution by MassDEP of the Certification Statement pursuant to 310 CMR 30.838(1) unless the final determination is appealed during the 21 day period, or (b) at the conclusion of the Adjudicatory Hearing Process, pursuant to M/G.L. c. 21C and c. 30A, and 310, CMR 1.00.
